I have been working with this firm performing fiduciary tax and accounting services since 1995, with over twenty years' experience preparing and reviewing judicial and informal accountings on a variety of estates, trusts and guardianships. 3. The detailed invoice demonstrates that our services include assisting the Administrator in the preparation of the Judicial Accounting with the Surrogate's Court covering the period from June 25, 2012 to August 31, 2014.

 - c. Staff Accountant \$125
 - d. Junior Accountant \$ 95

Overall, the average rate per hour is \$146.67. Detailed time records are attached.
